I understand that I am considered a star performer, sir. However, it is disheartening to see that I am still not being considered for this role.

I know you are upset but i do look forward to working with you in the future

Sir, I believe I deserve to be considered for this position. I have successfully fulfilled the role of a supervisor for the past 2 years and I am now prepared to take on the next level of responsibility.

I agree with you but this time we need to take someone from outside. I would definitely like to work with you in the future in some other role

I understand your perspective, but it's important to consider that I have the ability to learn and adapt to new skills. Additionally, my track record and loyalty to the company should also be taken into account.

I understand your perspective and am sure you will put in all efforts required,. why dont you make a plan to see how ready you are for this role

Sir, I understand your perspective and I won't let it demotivate me. I believe in my abilities as a star performer, so please give me a chance to prove myself in this role as well. I am confident that I can excel and be a star performer here too.

I am sure you will give it your best..lets talk on this more in the future
